

Enigma Teen Center

Enigma is open seven days a week, providing teenagers a facility in which they can socialize, recreate and develop a sense of ownership. Enigma is governed by a Teen Advisory Board that represents the 6th—12th grade users of the facility. Advisory Board

Meets every Thursday at 4:00 PM

Make a difference and join the teen advisory board that oversees Enigma. You'll learn leadership and responsibility by helping to run band and DJ events, providing input on how the facility is run and making decisions about the amenities and décor at Enigma. To become eligible to vote as a member, you must attend three meetings, work one DJ event and work one band event. T.A.B. members also go on special outings and are active in community events.
